Clerk's report, prepared for the Barnacre-with-Bonds Parish Council meeting, 13th July 2016

which was making pedestrians walk into the road as there was no room on the footpath. Suggested we may need to write a letter to the owners of the property. Clerk replied stating that usually in these cases a Parish Councillor would visit the property establish ownership and request the hedge be cut back. The personal approach has always worked well in the past. The information was forwarded onto John Ibison 05.07.2016. as he resides just down the road to the hedge in question. Councillor John Ibison was under the impression the owner was quite diligent, so to leave it until the next planned meeting when it could be an agenda item. Clerk requested Councillor J Ibison check hedge situation prior to the meeting to report.

- Internal audit now completed. Clerk sent off completed annual returns to the Audit Commission and uploaded all financial information to the website in order to meet the Parish Council's obligations under the Transparency Code.
