Requested further information from Estate Services regarding Bowgreave Rise Playing field.

Response received –

Dear Mrs Adair

Thank you for your email and apologies for the delay in replying

The field was previously leased to a local Football Club however their use discontinued, and their storage containers were removed in 2019.

Following the Football Clubs vacation of the land a programme of general maintenance works was agreed to maintain the land as appropriate.

We hope this information is helpful to you.

Kindest regards
